Exterior recessed wall light, for enhancing pathways, stairs and decks.

Product Description
The Bulwark is a Marine Grade miniature IP66 rated exterior recessed wall light, designed to provide a low level soft directional light to pathways, stairs and ship decks.
Including glare baffle to avoid upward light spill.
Supplied with install sleeve and snap-on stainless steel bezel. Including an acetal mounting sleeve.

Key Features
• Sustainable construction: made from Stainless Steel, recycled aluminium with a weather resistant long-lasting anodised and powder-coated finish. Specialist finishes available on request.
• Fixed focus optic with soft asymmetric light distribution and glare baffle.
• Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
• High-performance lighting: up to 97 CRI LEDs.
• First fix acetal installation sleeve
