STOANE LIGHTING

Mini G-Cat

STD-000410-0081

Compact exterior lighting system, to enhance outdoor public spaces, pathways and more intimate hospitality and high end residential applications.

Product Description
The Mini G-Cat is an award winning IP66 exterior rated compact lighting system that offers versatile lighting options.

Clear polished, internally frosted Decorative Globe is joined by:
Low Glare A custom acrylic designed to minimise upward light spill. Suitable for Dark Sky applications.
Technical Optics Very Narrow - Wide Flood options supplied with low glare snoot and frosted glass with provision for one lens accessory.

Key Features
• Sustainable construction: made from recycled aluminium with a weather resistant long-lasting anodised and powder-coated finish. Specialist finishes available on request.
• IK10 rated.
• Adjustable beam angles with interchangeable optics with no upward light spill.
• Specialist Globe diffuser for decorative glow.
• Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
• High-performance lighting: Up to 90 CRI LEDs
