Flying Lead

Miniature lighting fixture for Museum, Gallery and Retail displays.

## Product Description

The Surf Type S is a compact adjustable and highly efficient miniature fixture designed to provide precise illumination for Museum, Gallery and Retail applications.

Constructed from precision-machined recycled aluminium, the system features an anodised finish for enhanced durability and aesthetics.

## Key Features

- Sustainable construction: made from recycled aluminium with a long-lasting anodised finish. Specialist finishes available on request.
- Fixed interchangeable optics available ranging from Very narrow to Wide Flood to elliptical beam options.
- Lockable tilt and pan mechanisms.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
- High-performance lighting: up to 97 CRI LEDs
