Miniature lighting fixture for Museum, Gallery and Retail displays.

Product Description

The Surf S Stick is a compact adjustable and highly efficient miniature fixture designed to provide precise illumination for Museum, Gallery and Retail applications.

The stem length can be specified to order with both pan and tilt locking mechanisms.

Constructed from precision-machined recycled aluminium, the system features an anodised finish for enhanced durability and aesthetics.

Key Features

- Sustainable construction: made from recycled aluminium with a long-lasting anodised finish. Specialist finishes available on request.
- Fixed interchangeable optics available ranging from Very narrow to Wide Flood to elliptical beam options.
- Height specifiable stem length.
- Lockable Tilt and Pan mechanisms.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
- High-performance lighting: Up to 97 CRI LEDs
