Baby Badger

STD-000072-0004

Exterior in-ground recessed adjustable and lockable uplighter, for enhancing architectural details, gardens and pathways.

Product Description
The Baby Badger is a small form factor IP66 rated adjustable and lockable exterior up light, designed to precisely highlight textures, add depth to trees, sculptures, facades and other outdoor features. Perfect for both commercial and residential applications, ideal for bringing landscapes to life after dark.

Key Features
- Sustainable construction: made from recycled aluminium with a weather resistant long-lasting anodised and powder-coated finish. Specialist finishes available on request.
- Adjustment providing up to +/- 12° of tilt with locking mechanism and pan rotation.
- Interchangeable optics to allow Very Narrow to Wide Flood to elliptical beam options and a toughened glass lens.
- Advanced dimming options: DALI, 0-10V, and Wireless dimming, down to 0.1%.
- High-performance lighting: Up to 97 CRI LEDs.
- First fix Installation sleeve available for mounting.
