EQUIPMENT DESIGN + MANUFACTURE

ZTA.50.Pendant STD-000155-0001

Modular high-performance, ceiling suspended spotlight system, for interior architectural applications such as Museums, Galleries, Retail and Workplace environments. Engineered for exceptional durability, maintainability, re-manufacturability, and recyclability, this spotlight sets a new standard for sustainable design.

Product Description:

ZTA.50.Pendant is constructed from extruded and precision-machined recycled aluminium, the spotlight features an anodised and powder-coated finish for enhanced durability and aesthetics. With height adjustable cables that can be specified to length.

Key Features:

- Sustainable construction: made from recycled aluminium with a long-lasting anodised and powder-coated finish. Specialist finishes available on request.
- Height adjustable suspension and power cable, can be specified to length.
- High-performance lighting: up to 98 CRI LEDs with interchangeable optical systems.
- Customisable Accessories: Can house up to two lens accessories and various attachments.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
