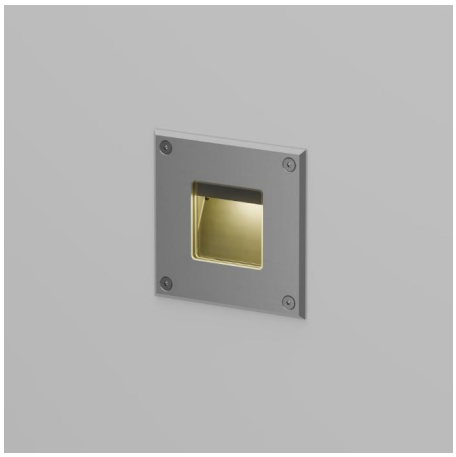
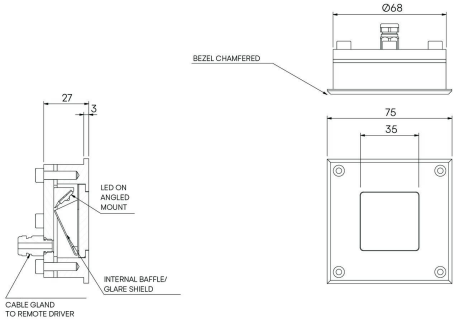
STOANE LIGHTING

Wall Scoop

STD-000277-0023





Exterior recessed fixed focus wall light, for enhancing architectural details, gardens and pathways.

Product Description

The Wall Scoop is an IP66 and robust IK10 rated fixed recessed wall light, for use at low level and designed to highlight pathways and stairs. Perfect for both commercial and residential applications, ideal for bringing landscapes to life after dark.

Machined from 316 Grade Stainless Steel and a toughened glass lens.

Key Features

• Robust construction: made from 316 Grade Stainless Steel. Specialist finishes such as C5M coatings available on request suitable for marine environments.
• Includes a custom kick reflector and glare baffle for beam control.
• Advanced dimming options: DALI, 0-10V, and Wireless dimming, down to 0.1%.
• High-performance lighting: up to 97 CRI LEDs.
