Surf Type G

STD-000296-0003

Compact lighting system for Museum, Gallery and Retail displays.

Product Description
The Surf Type G is a compact adjustable and highly efficient miniature fixture designed to provide precise illumination for Museum, Gallery and Retail applications. With both pan and tilt locking mechanisms.
Constructed from precision-machined recycled aluminium, the system features an anodised finish for enhanced durability and aesthetics.

Key Features
• Sustainable construction: made from recycled aluminium with a long-lasting anodised finish. Specialist finishes available on request.
• Tree system height and number of plug in points can be specified.
• Fixed interchangeable optics available ranging from Very narrow to Wide Flood to elliptical beam options.
• Lockable Tilt and Pan mechanisms.
• Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
• High-performance lighting: Up to 97 CRI LEDs
