Compact lighting system for Museum, Gallery and Retail displays.

## Product Description

The Surf Type G is a compact adjustable and highly efficient miniature fixture designed to provide precise illumination for Museum, Gallery and Retail applications. With both pan and tilt locking mechanisms. Constructed from precision-machined recycled aluminium, the system features an anodised finish for enhanced durability and aesthetics.

## Key Features

- Sustainable construction: made from recycled aluminium with a long-lasting anodised finish. Specialist finishes available on request.
- Tree system height and number of plug in points can be specified.
- Fixed interchangeable optics available ranging from Very narrow to Wide Flood to elliptical beam options.
- Lockable Tilt and Pan mechanisms.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
- High-performance lighting: Up to 97 CRI LEDs
