

STOANE LIGHTING

EQUIPMENT DESIGN + MANUFACTURE

CLP STD-000331-0004

Pendant shade manufactured from recycled aluminium, for enhancing dining, workspace and feature areas.

Product Description

The Cast Light Pendant (CLP) is manufactured entirely from Stoane Lighting's recycled waste aluminium stream, avoiding the need for off-site recycling and manufactured entirely in house. Cast and machined, the product marries artisanal craftsmanship with a contemporary design, the innovative shade allows for both technical & decorative optics, additionally more traditional E27 light sources.

It can be used individually or in clusters to create dynamic lighting arrangements.

Key Features

- Sustainable construction: made from recycled aluminium.
- Height adjustable suspension with various cable colour options.
- Static and warm dim LED options available with technical optics providing Very Narrow to Wide Flood beam distributions.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
- High-performance lighting: up to 98 CRI LEDs.
