Exterior landscape accent lighting system, designed for both soft and hard landscaping applications, it can be used both in ground and on tabletops.

**Product Description**

The Amanita is a small form factor IP66 rated exterior accent light, designed to provide a soft, low level, 360° lighting distribution via a customised impact resistant frosted diffuser.
When orientated directly downwards the product provides a **BUG rating** of B0 U0 G0.
Providing up to 20.6° of lockable tilt adjustment and both spike and fixed mount plates available.

**Key Features**

- Sustainable construction: made from recycled aluminium with a weather resistant long-lasting anodised and powder-coated finish. Specialist finishes available on request.
- Versatile adjustment providing up to 20.6° of tilt with locking mechanism.
- Advanced dimming options: DALI, 0-10V, and Wireless dimming, down to 0.1%.
- High-performance lighting: Up to 97 CRI LEDs.
- Special SPD LEDs available on request.
- Ground spike and fixed mount plate options available for soft and hard landscaping applications.
