

Mini G-Cat STD-000410-0029

Compact exterior lighting system, to enhance outdoor public spaces, pathways and more intimate hospitality and high end residential applications.

Product Description

The Mini G-Cat is an award winning IP66 exterior rated compact lighting system that offers versatile lighting options.

Primarily designed with a special clear polished decorative globe with an internally frosted diffuser. It is also available with fixed focus optics ranging from Narrow to Wide Flood beam distribution or a Low Glare version of the decorative acrylic lens.

Key Features

- Sustainable construction: made from recycled aluminium with a weather resistant long-lasting anodised and powder-coated finish. Specialist finishes available on request.
- IK10 rated.
- Adjustable beam angles with interchangeable optics with no upward light spill.
- Specialist Globe diffuser for decorative glow.
- Advanced dimming options: DALI, 0-10V, DMX and Wireless dimming, down to 0.1%.
- High-performance lighting: Up to 90 CRI LEDs
