Miniature exterior semi-recessed marker light, providing soft and low levels of light for pathways to assist with wayfinding.

Product Description

The Bolt-Pip is a miniature IP66 rated marker light. Machined from Brass or 316 Stainless Steel for enhanced durability. It is useful for various applications such as pathway and step lighting and can be used both internally or externally.

Key Features

- Robust construction: made from Brass or 316 Stainless Steel. Specialist finishes available on request.
- Low levels of light distribution for visual comfort.
- Advanced dimming options: DALI, 0-10V, and Wireless dimming, down to 0.1%.
- High-performance lighting: up to 97 CRI LEDs.
