Exterior in-ground recessed fixed uplighter, for enhancing architectural details, gardens and pathways.

Product Description

The Vole is an IP66 rated fixed exterior up light, designed to highlight textures, add depth to trees, sculptures, facades and other outdoor features. Perfect for both commercial and residential applications, ideal for bringing landscapes to life after dark. Machined from recycled aluminium with an anodised finish for enhanced durability and a toughened glass lens.

Key Features

• Sustainable construction: made from recycled aluminium with a long-lasting anodised finish. Specialist finishes available on request.
• Interchangeable optics to allow Very Narrow to Wide Flood with the addition of secondary lenses to create elliptical beam options. Optional asymmetric anti-glare accessory available.
• Advanced dimming options: DALI, 0-10V, and Wireless dimming, down to 0.1%.
• High-performance lighting: up to 98 CRI LEDs.
• First fix installation sleeve available for mounting.
